We will always be respectful and protective of your personal information. Under federal regulations (the HIPAA Privacy Act), we have adopted additional guidelines to ensure the proper use, confidentiality and disclosure of your health information.

We may release or disclose your health information:

- For treatment purposes to another healthcare provider or clinic if I refer you, or to providers or staff within our clinic that are taking part in your healthcare.
- For billing and collection purposes, I may release records of your healthcare and information that you have provided to your insurance carrier or other financially responsible parties.
- For operational purposes within our clinic for quality control, office administration, record keeping, and staff training.
